Experience China Before Communism in this all new 2027 Production

Real beauty stops time, it takes your breath away! When the curtain rises, a doorway opens to another world—celestial maidens, imperial splendour, immortals and heroes, legends thousands of years old. Shen Yun takes you on an extraordinary journey through China's 5,000 years of civilisation.

Ancient wisdom, heavenly realms, timeless legends and vibrant ethnic traditions come to life through breathtaking classical Chinese dance, exquisite costumes, a live orchestra blending East and West, and patented animated backdrops that extend the stage into breathtaking realms, transporting you across time and space.

Each scene unfolds like a living painting—filled with brilliant colour, remarkable athleticism, and moving stories of courage, compassion, loyalty and hope. Experience the beauty, wonder and inspiration of Shen Yun—live. This is what the audience says:

- "I've never seen anything quite so beautifully choreographed in my entire life." Shirley Ballas, Dancing with the Stars (UK) head judge
- "I was uplifted; I was filled with hope... The world is a better place because of Shen Yun." Richard Swett, former U.S. Congressman

- "Exquisitely beautiful. It was an extraordinary experience for us and the children." Cate Blanchett, Academy Award-winning actress
- "I encourage everyone to see it and all of us to learn from it." Donna Karan, founder of DKNY
