## Rotorua Day Out

from \$80 pp - Next date 23rd Sep

**Just over the hill, but a world away, Rotorua is an amazing world class destination and well worth a visit.**

Join our small group tour to our closest city of Rotorua. Less than an hours drive away we have a world famous tourism destination, now struggling to survive the downturn in international visitors, what a great time for us to pay a visit.

We begin by heading out to the Blue and Green Lakes, each with their own story, followed by a morning cuppa at The Landing café on the shores of Lake Tarawera, the location of New Zealand's last major volcanic event. On the way back in to Rotorua we will also stop at the enchanting Redwoods Forest to admire these amazing trees.

Next we will see some of the geothermal sights the city is famous for – including Kuirau Park in the heart of the city, where there are bubbling mud pools and steaming vents, what a unique location. Find out why Rotorua is called 'Sulphur City'.

For the afternoon you have the choice of either a relaxing soak in the adult pools at Polynesian Spa (the pools offer special thermal bathing in acidic water from the Radium hot spring, long renowned for its therapeutic properties), or a ride up the famous Skyline Gondola (for amazing views of Rotorua city and lake).

**Cost per person - for pickups from a single address: 1 person \$90, 2 persons \$85pp, 3 or more persons \$80pp**

**Inclusions: Morning Tea. Either the Polynesian Spa or Skyline Gondola**
